COMMUNICATION IN RESPONSE TO COMMUNICATION FROM THE EXAMINER

ASSISTANT COMMISSIONER FOR PATENTS  
WASHINGTON, D.C. 20231

Dear Sir,

On July 2, 2002, Examiner Patricia A. Duffy of the United States Patent and Trademark Office requested that Applicant submit a Communication noting that the Response to a Restriction Requirement, a copy which is attached hereto as Appendix 1, filed with the United States Patent and Trademark Office on June 20, 2002, contained an incorrect Serial Number. Specifically, the header on the response to Restriction Requirement contained the correct Title, Named Inventors and Internal Attorney Docket Number but due to a typographical error the response listed United States Serial No 09/402,820 and **not** 09/975,932.

Since Applicant filed with the United States Patent and Trademarks Office a communication in response to the Restriction Requirement for United States Serial No. 09/975,932, Applicant hereby requests the Examiner to discard the Response to the Restriction

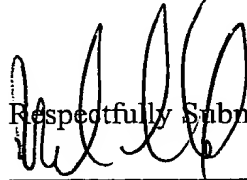

Requirement filed on 09/28/2002, 2002.
